

# Welcome to Praise and Worship

How is the battle going? The journey of faith in Christ is often just that as we struggle against temptations and desires that are contrary to God's will. God's Word reminds us that the battle is not against people but against spiritual forces and He wants to strengthen our spiritual lives this morning. Today we are called to be honest about our sin and confess it to God that we may be cleansed and empowered to win the battles we find ourselves in.
