

# Welcome to Praise and Worship

Welcome to you all! Our days have been filled with many different emotions due to the virus that has intruded into our lives. The Holy Spirit is in you to confirm what you believe in and refresh you for the journey of faith ahead. We respond to God's message by loving Him through our worship of Him. May God richly bless you as we do this today.

## March 29, 2020 – Fifth Sunday in Lent

*"I lift up my eyes to the hills--where does my help come from? My help comes from the LORD, the Maker of heaven and earth. He will not let your foot slip--He who watches over you will not slumber; indeed, He who watches over Israel will neither slumber nor sleep. The LORD watches over you--the LORD is your shade at your right hand; the sun will not harm you by day, nor the moon by night. The LORD will keep you from all harm--He will watch over your life; the LORD will watch over your coming and going both now and forevermore." Psalm 121*

Fri

Sun

**Morning Services via Facebook.** We will have the whole service videoed for our viewing from our homes. For viewing the whole service, go to our Peace Lutheran Brethren Facebook page. Ask to join to view. Audio of the message will still be on our webpage. Adult Sunday School will also be available for viewing.

### Looking Ahead

When the virus has passed, we will be able to celebrate together!

**This is a new experience for us – being separated from each other during this time. We lose the valued time we have together to fellowship and encourage one another in our faith. It would be fantastic if after we close that you spend a few minutes in calling a couple of people of the church to chat with and maybe prayer will be involved in your time together. This way we continue to be the church that loves God, loves people and makes disciples – all through Jesus Christ.**
